Mr. Parker of Mr. Butterfield's office reports that this ask comes from the Sierra Club, and that Rep. Adams' office is being asked to write the same letter. Reps. Bobby Scott and Donald McEachin of VA sent a similar letter last month (attached).

Hi Jim & Lorea,

I've attached a letter that Mr. Price is sending to FERC regarding the ACP. We are supporting stakeholder requests for a rehearing due to some concerns with the process by which FERC came to its original decision to approve the projects. We wanted to make sure you were in the loop on it, however, given the public attention the pipeline continues to receive. Happy to chat further about this if you have any additional questions or concerns about it.
